FIRST 5 VENTURA COUNTY

VISION

All Ventura County children are born healthy, thrive in nurturing environments, and enter school prepared and eager to learn.

MISSION

Our mission is to strengthen families, communities and systems of care for children prenatal to 5 years through investments, expertise, and leadership so all children reach their full potential.

CORE VALUES

Integrity and Equity: We commit to acknowledge, identify, and address systemic inequities and racial, ethnic, socioeconomic and ability disparities in early childhood experiences, opportunities, and outcomes.

Family: We focus on the whole-child, prenatal to age five, in the context of their family and community.

Strategic: We prioritize solutions that produce results, are innovative, have a strength-based approach, highlighting protective factors and prevention.

Accountable: We are transparent, collaborative and accountable to one another, families and the community.

Informed: We are data- and research-driven and informed by developmental science.

Integrity and Equity

We commit to acknowledge, identify, and address systemic inequities and racial, ethnic, socioeconomic and ability disparities in early childhood experiences, opportunities, and outcomes.
